

# American Bowen Academy

## Anatomy & Physiology for American Bowen Academy

Instructor: Nancy Pierson [bowensource@gmail.com](mailto:bowensource@gmail.com); 512-750-4012

Hours: 120

CEs: Class can be taken for continuing education credit. Note the practitioner will receive 16 hours of online credit. ABA's guideline is that 16 online hours can be taken every two year.

The remaining 16 hours must be hands-on.

Cost: \$430, plus the purchase of Essentials of Anatomy and Physiology, 7<sup>th</sup> Edition, by Scanlon.

With the purchase of this course, the student will receive a 25% off promo code for the text (regularly \$60.95), plus free shipping (see last page).

### **I. Rationale:**

Course is offered to provide training for module students who do not have the requisite 120 hours of anatomy and physiology. Professional Bowenwork Practitioners can take the course to enhance their A&P knowledge.

### **II. Course Aims and Outcomes:**

#### *Aims*

The aim of this course is to develop the student's knowledge and understanding of anatomy and physiology.

### **II. Specific Learning Outcomes:**

On completion of this course, the student will have a basic understanding of:

- the organization of the body
- some relevant chemistry
- cells, tissues, and membranes
- the integumentary system
- the skeletal system
- the muscular system
- the nervous system
- the senses
- the endocrine system
- blood
- the heart

- the vascular system
- the lymphatic system and immunity
- the respiratory system
- the digestive system
- body temperature and metabolism
- the urinary system
- fluid-electrolyte and acid-base balance
- the reproductive systems
- human development and genetics
- microbiology and human disease

### **III. Course Requirements:**

Each student must:

1. Read each chapter.
2. Test herself with the online interactive exercise Case Study; repeat until a perfect score is obtained; send results to instructor.
3. Test herself with the online interactive exercise Quiz Show; repeat until a perfect score is obtained; send results to instructor.
4. Test herself with the online interactive exercise Memory Game; repeat until a perfect score is obtained; send results to instructor.
5. Test herself with the online interactive exercise Find the Term; repeat until a perfect score is obtained; send results to instructor.
6. Test herself with the online interactive exercise Paragraph Match; repeat until a perfect score is obtained; send results to instructor.
7. Complete the online 20-question practice pre- and post-tests.
8. Score 80 or above on each comprehensive, chapter-by-chapter, test given, administered digitally.
9. Score 70 or above on the final test, covering the entire course material, administered digitally.
10. Completion of all the above yields a pass on the course.
