

American Bowen Academy Continuing Education Presentation Outline

Bowen Therapy for Large Animals,

Level 1

"We can judge the heart of a man by his treatment of animals." Immanuel Kant

Instructor: Tanya Baker, Dewey Wellness Center, deweywellnesscenter@outlook.com, 928-632-8200, www.DeweyWellnessCenter.com

Presentation Hours/CE Credits: 16

Cost: \$430 if paid 22 days in advance \$460 after

Pre-requisites: Must have completed "Bowen Therapy for Small Animals, Level 1"; experience working with horses; check the laws of the state you reside in to see if you are legally able to perform body work on animals, and purchase "The Horse Anatomy Workbook: A Learning Aid for Students Based on Peter Goody's Classic Work, Horse Anatomy (Allen Student)"

I. Rationale:

Practitioners who complete "Bowen Therapy for Large Animals, Level 1" will open up a whole new field of clients, both human and animal. Practitioners will have the opportunity to not only help their human clients, they will also be enabled to help their human clients' animal friends, creating more awareness of Bowen Therapy in the United States and in the Equine/Farm Industry.

Bowen Therapy for Large Animals, Level 1, is simply the Bowen we have learned through the American Bowen Academy applied to the anatomy of Large animals.

II. Presentation Aims and Outcomes:

Aims

After learning "Bowen Therapy for Large Animals, Level 1", the practitioner will immediately be able to implement Large animals into their Bowen practice. Practitioners will be able to market to a whole new clientele, thus growing their client base and having the reward of helping animals.

Specific Learning Outcomes:

By the end of this presentation, participants will:

Learn how to apply Bowen procedures correctly, to the correct anatomical areas on Large animals. Learn how to identify large animal anatomy and the different ways to apply the Bowen Technique to different types of large animals. Learn how to safely handle large animals.

III. Presentation Requirements:

Students will be required to use the "Bowen Therapy for Large Animals, Level 1" Workbook along with any required Anatomy books to learn the correct anatomical procedure placements. Students will follow along with a Power Point Presentation, and watch videos. Students will work hands on with various large animals as they learn.

IV. Additional Resource Readings.

Must purchase "The Horse Anatomy Workbook: A Learning Aid for Students Based on Peter Goody's Classic Work, Horse Anatomy (Allen Student)"

Continuing Education (CE) Presentation Outline
Example: Module 1 (Replace times/hours/topic, etc.)

- One CE Point = 1 hour of active instruction/learning
- **All** columns must be filled in
- 15 mins = .25 point; 30 mins = .5 point; 45 mins = .75 point; 60 mins = 1 point
- List lunch and break. Remember, CE points are **not** issued for these times. Clearly mark different days of multiple-day presentation.
- For a live presentation, teleseminar or webinar CE points are determined by listing the teaching methods (i.e., lecture, demonstration, supervised practice, group discussion, etc.) and then calculating the time it takes to present the topic.
- For a distance learning or online program CE points are determined by listing the student's learning activity (i.e., watching a DVD, reading, writing, etc.) and then calculating the time it takes the student to complete all of the activities.

Begin to End Time Day 1:	CE Points	Topic – Content Outline	Teaching Method Learning Activity
8:30 – 10:30	2	Introduction, presentation overview, safe handling of large animals	Lecture
10:30 – 11:30am	1	Demonstration of basic Bowenwork moves	Demonstration/practice
11:30am – 11:40		Break	
11:40 – 12:40pm	1	Learning Large Animal Anatomy	Workbook/Lecture
12:40 – 1:40pm		Break	
1:40pm – 2:40pm	1	Demonstration of moves on Lower Back	Demonstration/practice
2:40pm – 2:50pm		Break	
2:50pm – 4:15pm	1	Demonstration of moves on Upper Back/Middle	Demonstration/practice
4:15pm – 5:15pm	1	Demonstration of Neck Moves	Demonstration/Practice Demonstration/Lecture
Total:	8		

Begin to End Time Day 2:	CE Points	Topic – Content Outline	Teaching Method Learning Activity
8:30am – 10:00am	1.5	Demonstration and Review of Basic Large Animal Bowen Procedures	Demonstration/practice
10:00 – 11:00am	1	Anatomy Workbook Review	Workbook/Lecture
11:00am – 11:10am		Break	
11:10am – 1:00pm	1.5	Demonstration of Colic Procedure	Demonstration/practice
1:00pm – 2:00pm		Break	
2:00pm – 3:00pm	1	Demonstration of Kidney procedure	Demonstration/practice
3:00pm -4:00pm	1	Demonstration of Respiratory/Digest	Demonstration/Practice
4:00pm – 4:15pm		Break	
4:15pm – 4:45pm	1	Discussion about state legalities and	Lecture/Discussion
4:45pm – 5:45pm	1	Review of all procedures, and discussion for integrating Large animals into Bowen Practice .	Lecture
Total:	8
