Prerequisite: Completion of the highest module for which procedures are scheduled to be covered

CE hours: 8 hours for Professional Bowenwork Practitioners
(Prior to Level 1 certification, there is no continuing education requirement.)

Class Aims and Outcomes:

Aims

- Always: to help students at all stages of development increase their skills and confidence in their choice and application of Bowenwork moves and procedures
- In particular instances: to target more specific goals, such as preparing for Module 7 assessment

Specific Learning Outcomes

These depend entirely on the needs and interests of the students and at the discretion of the instructor.

Class Format:

- This is the traditional face-to-face class.
- If you are interested in an online review such as those pioneered during the covid-19 pandemic, search for “[Review Class Live Online](#)” and download that class’s syllabus.
